

WYVERN OF THE YEAR AWARD

NOMINATION FORM

BACKGROUND

The Wyvern of the Year Award is presented annually to a member of the Wyvern Society in recognition of exceptional and outstanding service. It is a means of honouring someone within the Queen's College community who has contributed greatly to the community at large in a distinguished and dedicated manner.

The Wyvern Society Committee seeks to recognise those among us who have selflessly given of themselves in a way well in excess of what might normally be expected of a person in their position.

The Award consists of a medal and pin which is conferred at the Wyvern Society Annual Meeting.

We look forward to receiving your nomination by 30 June and to celebrating and publicly acknowledging achievements from within the Queen's College community.

Yours sincerely,
Michelle
